New Marine distributor for Spain

As part of the initiative to strengthen Tranberg's position in Spain, Tranberg is proud to present NORISPAN as the exclusive distributor for this region.

As part of the initiative to strengthen Tranberg's position in the marine market in Spain, Tranberg is proud to present NORISPAN in VIGO as the exclusive distributor for this region. With a broad understanding and experience in the market, NORISPAN is seen as the ideal partner to help Tranberg achieve the sales goals set.

NORISPAN will be supplying the market with all Marine products from Tranberg's high quality portfolio, including searchlights, navigational lights, floodlights, deck lights and De-ice equipment.

For more information on Tranberg products, please visit www.tranberg.com. To find more information about NORISPAN and their locations, please visit www.norispans.com
