Cooperation agreement **Metalux - Norispan**

We, the undersigned confirm hereby that **Metalux** has reached a cooperation agreement with **Norispan** as authorized sales and marketing partner to support for both, technical and commercial activities in Spain and Portugal.

36,000 M2 facilities along with 50 years of **Metalux** experience, together with **Norispan** engineering capacity and 38 years experience will allow us to undertake any project, fundamentally within the naval or industrial sector, including its engineering and commissioning.

This cooperation agreement is valid until common statement of end of cooperation.
Kind regards,

METALUX
